ALCUNI SUGGERIMENTI PER I GENITORI

- ★ Scegli il colore preferito del tuo bambino per lo svolgimento dell'attività
- ★ Se il tuo bambino tende a mettere il pongo in bocca, ti suggeriamo i colori alimentari
- ★ Per promuovere la motricità fine puoi inserire dei fagioli nel pongo oppure nascondere un giochino che piace tanto al tuo bambino
- ★ Se osservi che il tuo bambino è ipersensibile al pongo a livello tattile puoi usare alcuni accorgimenti:
 - Schiacciare il pongo mettendo la tua mano sopra la sua
 - Avvolgere il pongo con la pellicola trasparente e schiacciare
- ? Se hai dei dubbi, confrontati con il tuo referente per valutare se il materiale o questo tipo di attività sono adatti al tuo bambino!
