## **ALCUNI SUGGERIMENTI PER I GENITORI**

- ★ Al posto della colla puoi usare il velcro per cambiare sempre la disposizione degli elementi della città
  - ★ Puoi etichettare i palazzi/edifici con gli stessi simboli delle tavole che utilizzerai per aiutare il tuo bambino ad orientarsi nel gioco
  - ★ Le prime volte puoi usare pochi simboli e pochi personaggi per facilitare il tuo bambino nell'uso delle tavole
  - ★ Ricordati che ogni tavola è dinamica e personalizzabile, quindi integra con i simboli che sono importanti per il tuo bambino e togli ciò che non serve
